# Phaser® 6280 Color Laser Printer

**Affordable color laser printer that delivers for busy workteams.** Spectacular color printing to give your documents the competitive edge, plus solid performance with built-in networking, advanced color technology, and unparalleled quality, all at a surprisingly low price.

## Performance that keeps up with your busy office

The Phaser 6280 printer can handle all the work your team can give it, with fast color output and advanced capabilities.

- **Built for speed.** Fast 26 ppm for color printing and 31 ppm for black and white.
- **Fast first page out**, in as little as 10 seconds.
- **Handle complex documents with ease**, thanks to 256 MB of printer memory and a powerful 400 MHz processor.
- **Workteam-ready**, with built-in networking and on-board support for Windows, Mac, and Linux.
- **Flexible expansion** to fit your workload, including an optional hard drive, memory expansion and paper capacity up to 950 sheets.
- **Automatic two-sided printing** with the Phaser 6280DN configuration.
- **Enterprise-ready**, with support for device management tools such as CentreWare print management software.

Make your point in color, and customers get it faster, and retain it longer.

## Low-cost color printing for your business

Add outstanding color to your business documents at an exceptionally low price, with an array of advanced color printing tools and money-saving features.

- **Outstanding**, 600x600x4 dpi photographic-quality color at low cost.
- **With Pantone® Color** approved solid-color simulations and Xerox color correction technology, the Phaser 6280 automatically prints the right colors or lets you fine-tune for special applications.
- **True Adobe® PostScript® 3™** gives you the brightest, truest colors and graphics possible.
- **Bring out the clarity and detail** in every print with Xerox EA-HG toner. It uses smaller, more uniform toner particles than conventional toner.
- **Choose “Run Black”** to print color documents in black when color cartridges are empty.
- **Better manage your printing costs**; the Phaser 6280 tracks the number of color and black pages you’re printing. It also works with third party software to provide more detailed usage monitoring.
- **Paper-saving feature** automatically skips blank pages in a document.

## Quality engineering with world-class Xerox service and support

Xerox precision design and engineering deliver worry-free reliable performance.

- **Well-built, durable construction** with a robust 70,000-pages/month duty cycle can meet the needs of even the busiest workteam.
- **You’re covered with a one-year on-site warranty**, the unbeatable Xerox Total Satisfaction Guarantee, and the best service and support in the industry.
- **Engineered to be quiet.** Low-noise levels make it a great fit for office environments.
- **PrintingScout™** tracks your print jobs and provides immediate print-issue alerts with correction suggestions.
- **Environmentally conscious**; the Phaser 6280 is part of the Xerox Green World Alliance recycling program. Ship your used cartridges to Xerox for free, and we’ll take care of recycling.
- **Energy Star Qualified** to save on office utility bills.
